*2019 Ranger*

*Description and Operation*

*Procedure revision date:  
05/17/2018*

---

**Passive Anti-Theft System (PATS) - Overview**

**Overview**

The PATS deters the vehicle from theft by preventing the vehicle from starting unless a valid programmed key is detected inside the vehicle when the START/STOP button is pressed.

The PATS does not disable an already running vehicle.
